Teachers send and receive classroom news

Check your child's Friday Folder each week for of-the-moment info and classroom work

Some teachers (not all) also use Remind to help with quick reminders and notifications

Make sure that your email address and phone number are correct in [Infinite Campus](#). County and school communications are sent based on this contact information. Text "Y" to 67587 to opt in for timely text notifications

Make sure that you are registered with the correct email address in [Givebacks](#). This serves as the communication database for all PTA comms.

Sign up and subscribe at [Peachjar](#).

Individual teachers will have different communication platforms and rhythms. Defer to your teacher for more information on what to expect.
