For the Grove Gallery April 16th, 2013 6:30 pm at
Maple Grove

The **Grove Gallery** provides you, the students, with an opportunity to get really creative and show your artwork to your friends and family. We wanted to give you plenty of time to plan and make your creations before the show.

The kinds of artwork you can submit are:

- ❖ Paintings
- ❖ Sculptures
- ❖ Cloth art
- ❖ Multimedia
- ❖ Any other visual art you would like to make

The idea is to get creative!

Your work must have been completed during the past 12 months.
One piece per student.

The maximum size for paintings/photos is 24" X 36 (including mat). Please keep sculptures or multimedia pieces manageable in size and weight.

Look for registration forms in the upcoming weeks!
