

Aim Learning Center

Does your student need to gain or maintain grade level skills?

We are special education teachers and behavior analysts (BCBAs) who use Applied Behavior Analysis and Precision Teaching to engineer foolproof achievement for students.

We offer comprehensive programming for

Reading (decoding, fluency, comprehension)
Writing (grammar, brainstorming, paragraph construction)
Math (number sense, fact fluency, problem solving)

**To find out more about our innovative methods,
contact us or join us for an info session:**

Tuesday, May 14th, 10:30 am
Rolling Hills Country Club
15707 W 26th Ave, Golden, CO 80401
