LF informed the PTA that the spirit wear has been ordered and should be received within 10-14 days. LF also ordered water bottles with the Maple Grove emblem on them that can be sold at the Grizzly Growl and at other future school events.

There was a lot of discussion surrounding the upcoming Grizzly Growl. There is still a great need for volunteers to do things like time the participants as they finish the race and to help out with packet pick-up. JT agreed to send out a separate e-blast to solicit more volunteers.

The initial results of the Grizzly Reading Challenge have come back. Many families have still not received their postcards so have not been able to donate yet. There was over \$3000 in buyouts.

More discussion was dedicated towards how to best honor Drake Durkee. There will be a school spirit day/Broncos day on his birthday, November 5. The idea is to honor him without creating a sad or traumatic experience to those who knew him. There are plans for a bench to be made in his honor with a plaque to be put behind the school where there is a great view of the basketball courts and the field. There will also be an award ceremony closer to the end of school. This award will be given to a student who best exemplifies the wonderful character that Drake demonstrated everyday.

Many school events were briefly discussed to make sure that there are volunteers to help run them. The events discussed were: Math Olympiad, Talent Show, Art Show, Science Fair, Field Day and Kidpower.

The upcoming PTA general meeting was discussed as well as items to be added to the agenda. Next PTA general meeting is on 10/7/15.

Meeting was adjourned.
