

Free Horizon Montessori
A Place to Learn, A Place to Belong

Middle School Spotlight Night

December 13, 2016

6 pm—8 pm

Come see what Free Horizon Montessori has to offer your rising Middle School Student.

At Free Horizon Montessori, we believe that middle school is a time for students to foster greater independence and build confidence. Our holistic Montessori Middle School model supports whole child development to equip students with skills and resilience to realize their full potential.

The Free Horizon Montessori Middle School builds a foundation for high school success. Our unique program offers:

- ◆ **Small class size ratio 1:15**
- ◆ **Rigorous academic real world preparation with 21st Century skills**
- ◆ **Invested students who embrace opportunities to grow in all areas—social, academic, and personal**
- ◆ **Students successfully leave FHM and attend a variety of schools. We have a 100% acceptance rate for specialized programs* (IB, GT)**
- ◆ **1:1 Chromebook environment**
- ◆ **Full Electives program: Music, Art, Technology, Library, PE**
- ◆ **Business and Economics including internships at local businesses**
- ◆ **Curriculum progression based on demonstrated mastery rather than grade level**
- ◆ **Club and Enrichment opportunities including: *Middle School Sports, Technology Clubs, Music Lessons, and more!***
- ◆ **Optional Student Travel, including service learning trips**

Free Horizon Montessori is a **Jefferson County charter public school of choice**, serving children in preschool through eighth grade. We believe the best way to gain understanding of the unique benefits of a Montessori education is to experience it first hand. Please join us on December 13 for a night of learning, fun, and curriculum discussion. We also offer weekly tours, please visit www.freehorizonmontessori.org for more information.

**for students who apply and meet all deadlines*
