

SUMMER CAMP 2019

Dinosaur Ridge weekly outdoor day camps keep kids moving and discovering in the incredible setting of our National Natural Landmark and outdoor museum. Our camps are designed to foster excitement and wonder for science, art, and the outdoors while engaging in our hands-on educational curriculum.

Each camp offers exploration of the Dinosaur Ridge fossil sites, hands-on science projects, as well as expert guest presenters in the fields of paleontology, geology, art, earth science, survival skills, and local plants and animals. Campers will also visit local museums and natural areas. Register your camper today!
